Out of Area Policy

Out of Area applications may be considered for enrolment at Caringbah Public School. The application will be evaluated before accepting in the following ways:

1. Consideration of the impact on the specific class or stage in relation to the **existing needs and size** of that class or stage.
2. The ability to provide the resources for the 'out of area' student particularly for students with identified disabilities or learning difficulties.
3. Consideration of a Risk Assessment from the previous school.

To enrol an 'out of area' student, parents must complete:

- A written rationale for seeking enrolment out of their area (see front page)

All applications will be considered by a panel where they will consider the following:

1. Sibling/s at Caringbah Public School Yes No
2. Medical Reasons Yes No
3. Exceptional circumstanced stated in the rationale

All decisions remain confidential between the parent, Caringbah PS and the previous school if necessary.
